FROM: The Asian Le Mans Series Committee

SUBJECT: Use of tyre blankets for the Shanghai Competition

APPLICABLE REGULATION

12.1.2 2019-2020 Asian Le Mans Series Sporting Regulations

DECISION

Provided that Competitors are facing cas de force majeure circumstances regarding freight:

- 1/ The use of tyre blankets will be permitted for the Shanghai Competition;
- 2/ As equipment on-location in Shanghai will be freighted until the end of the season;

The 2019-2020 Asian Le Mans Series Sporting Regulations are amended as follows:

12.1.2 Equipment for maintaining the temperature of the tyres

Systems using a type of fuel are allowed behind the garages, which means that tyre blankets are forbidden and tyre heating cupboards are allowed. However, no naked flames are allowed and an extinguisher must be permanently on hand close to the equipment when it is operating.

No device for warming the tyres or keeping them up to temperature is allowed elsewhere than in the outside area situated immediately to the rear of the garage.

This means that tyres cannot be covered. They must be visible to officials and in the open air at all times except in the outside area situated immediately to the rear of the garage.
