DATE: 12/02/2020

FROM: The Asian Le Mans Series Committee

SUBJECT: Clarification regarding the use of scanned tyres

APPLICABLE REGULATION

Article 6.5 2019 Asian Le Mans Series Sporting Regulations

DECISION

Article 6.5 is clarified as follows:

6.5.3 Dry-weather tyres: scanned tyres

A scanned set ~~(be it a set of new tyres or used tyres)~~ is **a set of used tyres**, composed of four (4) tyres that have been delivered by the single tyre supplier and scanned by an ACO Official during a previous Competition of the Series in which the Competitor took part.

Scanned tires from a previous Competition may be used in another Competition of the Series, provided they are re-registered by the single tyre manufacturer and the Permanent Technical Delegate for the Competition concerned.

If for one reason or another, one or more scanned dry-weather tyres are not used during a Competition, they may be returned to the single tyre supplier at the latest 1 hour after the end of the race.

PERIOD OF VALIDITY/APPLICATION OF THE DECISION

This decision comes into effect:
