The Stewards, having received a report from the Asian Le Mans Series Technical Delegate, have considered the following matter, interviewed the team manager, determined that a breach of the regulations has been committed by the competitor named below and have decided to impose the following penalty:

No 63

Competitor DKR Engineering

Session Race 2

Facts Car found to have one (1) tire used during the Race that had been undeclared

Offence Breach of Article 6.5.1 of the Asian Le Mans Sporting Regulations

Decision A fine of Euro 1,000 as per Article 6.5.7 of the Asian Le Mans Series Sporting Regulations.

Reason In the ensuing investigation, the Panel of Stewards appreciate that the team manager has failed to cross check this erring tire with the tire list authorized for use in the Event. The total number of tires used throughout was consistent with the tire allocation for the Event.
