

# TIMESERVICE DRIVER-ID SYSTEM

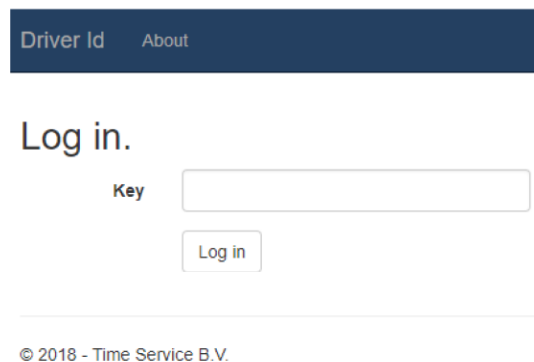

## SETTING DRIVER INFORMATION

1. Access from browser:

**<https://driverid.getraceresults.com>**

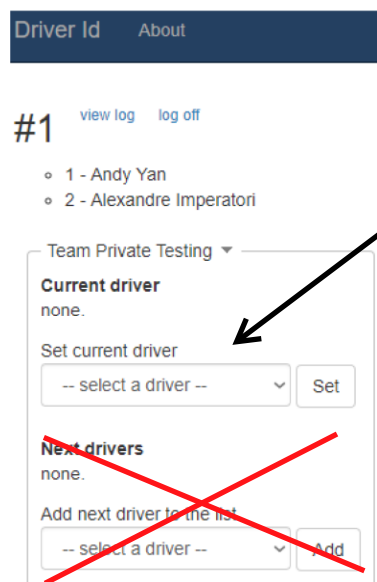

2. Log in:

The screenshot shows the login interface of the driver ID system. At the top, there is a dark blue navigation bar with 'Driver Id' and 'About' links. Below this, the text 'Log in.' is displayed. There is a text input field labeled 'Key' and a 'Log in' button. At the bottom, the copyright notice '© 2018 - Time Service B.V.' is visible.

*\* Key will be provided to each Team Manager separately \**

3. Set current driver:

The screenshot shows the driver selection interface. At the top, there is a dark blue navigation bar with 'Driver Id' and 'About' links. Below this, there is a '#1' label and two links: 'view log' and 'log off'. A list of drivers is shown: '1 - Andy Yan' and '2 - Alexandre Imperatori'. Below the list, there is a section for 'Team Private Testing' with a dropdown arrow. Underneath, the 'Current driver' is set to 'none.'. There is a 'Set current driver' section with a dropdown menu showing '-- select a driver --' and a 'Set' button. Below this, the 'Next drivers' section is also set to 'none.'. There is an 'Add next driver to the list' section with a dropdown menu showing '-- select a driver --' and an 'Add' button. A large red 'X' is drawn over the 'Next drivers' and 'Add next driver to the list' sections.

**Set Current Driver AFTER  
PIT OUT LINE**

**DO NOT SET Current Driver IN PIT**

**DO NOT USE NEXT DRIVER**

Make sure you got the correct driver in the car
